LEAD TEACHER AFFILIATE

**

Lead Teacher Affiliates are qualified to teach AIReal trainings in person. To help assist you and your students through this process, Lead Teacher Affiliates receive marketing support in the form of materials, media, and exposure through AIReal Yoga channels and on our website. To qualify as a Lead Teacher Affiliate, you must complete your RYT 200, AIReal 50, AIReal Restore, and AIReal Assist.

Your students will receive: Lifetime access to AIReal 50 Digital to use videos and digital manual as reference to follow along with through their training and reference back to whenever they would like!

How does it work? You choose what you would like to charge your students, how many students you want to have and when you will host your training. We charge a flat rate of \$300 per student for licensing fees and material. Once you have the final list of attendees you will send your list of teachers full names and emails to info@airealyoga.com. From there we will give your students access to the digital AIReal 50. As soon as the training is complete, just let us know and we will do a little celebration dance on their behalf and send out their Teacher Certificates!
